

Advertise your events and activities on WISH– it's FREE

WISH, Herefordshire's community website, has a new What's On section where you can promote any events you've got coming up for free. It's quick and simple and you don't need to register with WISH to use it. Here's what you do:

Visit www.WISHHerefordshire.org, then click What's On

Then click 'create new event' and put in the info requested

Don't forget to save it it will come to us to make sure you are not a robot, then your event goes live! If you would like more information or help to get on WISH, please email info@WISHHerefordshire.org .
